MEMORANDUM

TO: Office of General Counsel

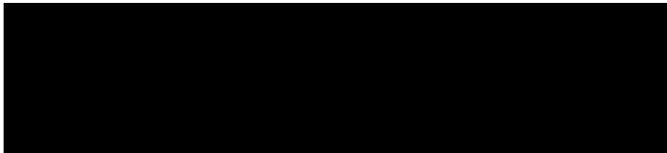

FROM: CFB

1. Attached is a newspaper clipping setting forth the procedure under which the recipients of Government payments which have been received and accepted erroneously, but in good faith, may obtain relief from repayment. Inquiry is made as to the legal background and basis for the granting of such relief.

2. It has occurred to the undersigned that instances may arise in this agency wherein a similar procedure and policy might be both necessary for security reasons and desirable to avoid injustice to individuals.
